

STATE FIRE MARSHAL MESSAGE

www.state.nj.us/dca/dfs/

November 2010

Please forward to Public Education:

The "Fire Is" coalition is well on the way to airing its third installment, "Fire is FAST."

The community-based program has been seen by middle school children in many towns throughout the state. Long Branch, Bloomfield, Montclair and Cranford are among the early participants. More localities are signing on every day.
